# Skin Care Products

A Simple Three-Step Approach

Helping you maintain healthy skin

HISCP6PPB/DLV/03-04/06

The Hollister Skin Care System provides a complete, three-step approach to achieving and maintaining healthy skin.

Hollister offers cleansing products that eliminate rough scrubbing, a conditioning product that soothes peristomal and perineal skin along with protection products to assist your skin to stay healthy and avoid breakdown.

The Hollister Skin Care System accommodates the greatest range of patient needs and skin conditions.

**For a free trial sample of any of these products or for further information, please call Hollister Customer Service**

## A Three-Step Approach to Healthy Skin

### 1. Cleanse

- Releases a mild, foaming action that lifts away irritants
- Gently cleans without scrubbing
- Refreshes the skin without leaving a filmy residue
- Remover Wipes assist in the gentle removal of barrier adhesive

7210 Skin Cleanser

### 2. Condition

- Softens and soothes cracked, rough skin
- Absorbs quickly; use under skin barriers and adhesives
- Improves skin condition with regular application
- Contains vitamins and aloe vera

7760 Universal Remover Wipes

7220 Skin Conditioning Creme

### 3. Protect

- Aids in preventing skin irritation/skin stripping
- Helps to prevent maceration and skin breakdown
- Maintains a healthy environment
- Protects against corrosive discharge

7917 Skin Gel Protective Wipes

7906 Premium Powder

7910 Karaya Paste  
(Not available in New Zealand)
