

MATERIAL SAFETY DATA SHEET

Section 1 – Product and Company Information

Restore Skin Cleanser

Product Code: 7210 (8 oz.)

Product CAS Number: Mixture

Company Information:

Hollister Incorporated
2000 Hollister Drive
Libertyville, IL 60048

Product Safety Information:

Contact : Anne Riba
Phone: (847)680-1000

Section 2 – Hazards Identification

No known hazardous ingredients as defined in 29 CFR 1910.1000 are contained in this product.

Section 3 – Composition / Information on Ingredients

Water	Methylparaben
Polysorbate 20	Lauroamphoglycinate
Propylene Glycol	Sodium Trideceth Sulfate
Imidazolidinyl Urea	Disodium EDTA
Citric Acid	FD&C Blue No. 1

Section 4 – First Aid Measures

Eye / Skin Contact: In case of contact with eyes, immediately flush with water. In case of skin irritation, discontinue contact and flush skin with water.

Ingestion: Give two glasses of water and induce vomiting by sticking finger down throat. Never give anything by mouth to an unconscious person. If necessary, contact a physician.

Section 5 - Fire Fighting Measures

5.1 Flammable Properties: This water-based material has little potential for fire or explosion

Flash Point: Not Applicable

Flammability Limits:

LFL – Not Applicable

UFL – Not Applicable

5.2 Extinguishing Media

Not Applicable

5.3 Protection of Firefighters

Not Applicable

Section 6 – Accidental Release Measures

Action to take for Spills/Leaks: Floors may be slippery from spills. Mop up or sweep with absorbent materials.

Disposal Method: Flush away or dispose of absorbent material in accordance with applicable regulations.

Section 7 – Handling and Storage

Avoid contact with eyes.

Section 8 – Exposure Control / Personal Protection

Exposure Guidelines: None established for this mixture

Ventilation: No special ventilation required.

Eye Protection: Splash proof goggles should be worn for handling large quantities of material.

Skin Protection: Wear water impermeable gloves (i.e., latex, neoprene, etc.) for long term contact with large quantities of material.

Respiratory Protection: None anticipated

Section 9 – Physical and Chemical Properties

Appearance / Physical State / Odor:	Blue Odorless Transparent Liquid
Specific Gravity:	1.03 at 25°C
Solubility in Water:	Completely Soluble

Section 10 – Stability and Reactivity

Chemical Stability:	Material is stable
Conditions to Avoid:	No known conditions to avoid
Incompatible Materials:	No known incompatibilities
Hazardous Decomposition Products:	None known
Possibility of Hazardous Reactions:	Will not occur

Section 11 – Toxicological Information

Acute and chronic toxic reactions are not anticipated as a result of use following package instructions.

Contains no known carcinogens or materials under investigation as potential carcinogens.

Section 12 – Ecological Information

Not Available

Section 13 – Disposal Considerations

Disposal should be in accordance with applicable regional, national and local laws and regulations. Local regulations may be more stringent than regional or national requirements.

Section 14 – Transport Information

The data provided in this section is for information only. Please apply the appropriate regulations to properly classify your shipment.

U.S. DOT Hazard Class: Not regulated as hazardous

UN Number: Not regulated as hazardous

Section 15 – Regulatory Information

Not Available

Section 16 – Other Information

Not Applicable

The information contained in this Material Safety Data Sheet (MSDS) is offered as a guide to the handling of this specific material. It has been prepared in good faith by technically knowledgeable personnel and is believed to be correct as of the effective date listed. Hollister Incorporated shall not be held liable for any damages, losses or injuries of any nature which may result from the use of or reliance upon any information contained in this MSDS.
