No clamp needed! Plastic fasteners lock in place so you can Feel the Seal!

To Close. (steps 1-3) Fold up pouch tail three (3) times up towards the outer side of the pouch until the plastic fasteners meet.

To Seal. (step 4) Press firmly from the center to the outer edges along the closure strip and Feel the Seal!

To Drain. (step 5) Pinch (squeeze) the sides of the pouch tail.

To Clean. (step 6) Clean the inside of the pouch tail with a tissue.
